

Membership Policies, Fees, and Dues

Last Revised: January 3rd, 2017

CSYC has been sustained since its founding in 1933 by a philosophy of reliance on its members for operations and improvements. The Club's members share a love for sailing and a respect for the ideals of cooperative work, which develop close friendships and camaraderie both on and off the water. Crescent has a rich historic past with an upbeat and active membership enjoying today's sailing lifestyle.

The Club committees organize and manage a full schedule of Junior and Adult educational, social, and competitive sailing activities. Crescent is recognized throughout the sailing community for its hospitality, location, and sailing talent.
