5 Jr. Membership

DUES

All Junior members are required to pay membership dues each year, whether or not they enroll in the sailing program to qualify for Senior Membership at CSYC. The dues include Junior membership at CSYC, use of Club-owned boats (qualified sailors only) and the monthly CSYC e-newsletter, The Breeze.

For a Junior to become a Senior member, upon reaching the age of 21 years a Junior member must apply for Senior Membership within 60 days of their birthday. If accepted, they shall pay the difference between the then prevailing Senior Membership fee and the sum of the paid Junior membership fee plus all past Junior dues.

GATE CARD

Junior Members are given one gate card when they join the program. If you need a replacement or additional gate cards, the cost is \$5.

WORK HOURS

- As with senior members, Juniors are expected to spend a minimum number of ten (10) hours working on club facilities, boats and events.
- All Juniors, including beginners, must attend junior work day on the first Wednesday, 8:30-12:00. Lunch will be provided. There will be class in the afternoon.

CLUB FACILITIES

Juniors may use shower facilities and are expected to keep them clean. They may also use the galley and dining room, but are required to wear dry clothing, including shoes and a shirt while inside the Club. Proper behavior in the dining room is especially important. Juniors are also expected to keep the grounds free from litter. There will be a time set aside at the end of each class to clean the area.

GUEST PRIVILEGES

Juniors are encouraged to invite their immediate family to be their guests at the Club outside of class time. They are limited to one "peer" guest at any one time.

SAILING REGULATIONS

Juniors who have participated in the sailing program and are qualified, approved by the program director, may sail the 420/FJ boats on his or her own time. Sailing club-owned boats is only permitted when:

1. Two or more boats sail together and keep in close proximity to each other.
2. A Senior Member who is a qualified workboat operator observes the sailing activity and is prepared to render aid if necessary.
3. Sailing is limited to the area bounded by the Grosse Pointe Farms Pier, the Grosse Pointe Club and the ship channel markers #3 & #9. Sailing hours are 9:00 a.m. to sunset.

7 Regattas

The DRYA season is made up of individual regattas and finishes with a season's champion determined by the points accumulated throughout the season. See DRYA.org for an explanation of scoring.

Awards for each regatta are held at the end of the final day of racing at the host club, with the exception of the DYC regatta. There is no fee to participate in these regattas. You must be a member of DRYA which Crescent pays for with your registration.

What to expect

On regatta days, a sailor should expect to be on the race course all day and will need an on-the-water lunch (packed in a waterproof bag) and water. If he leaves the race course early, he must be picked up from the regatta because no one will be on shore to supervise.

Crescent coaches will take the lunches and a gear bag in the coach boat at regattas. Sailors are responsible for collecting their things out of the boat each day. Each sailor is also responsible for getting to the regatta with the gear for their boat. Host clubs do not provide spare parts. Boats that do not pass a safety check will not be allowed to leave shore until the problem is corrected.

Parents are responsible for arranging travel for the sailor and his boat to and from regattas.

Travelling to Regattas

The instructors are available to coach your child at out of town regattas. Please agree on payment (transportation, time, lodging, etc) prior to leaving town. If there is a coaching fee assessed by the hosting regatta it is the parents, not the instructor's responsibility. Travel regattas are not arranged by the Junior program; parents and coaches make all arrangements.

U.S. Sailing Junior Championships

Sears-Bemis-Smythe (SBS) are three separate regattas that are US Sailing ladder events. The Sears Cup regatta is sailed in a 3-person boat, a Lightning for example. Bemis is raced in the 420 with a spinnaker, and Smythe is sailed in the Full rig Laser. These events start at the local level with quarter finals. DRYA holds a one-day quarter final event for each of these regattas during the season.

The next step is the regional semi-finals, a 3-day event hosted within Area E. At Semis, you must qualify to continue on to the Finals which is a national event. To participate in SBS, you must be 13 and a member of US Sailing.

O'Day Cup, US Singlehanded Championship

This is a US Sailing ladder event that begins at the local level. For men, it is sailed in the Laser full rig, for women, the Laser Radial rig, separate starts for each fleet. It is also open to junior sailors (age 16 and older) and information can be found at ussailing.org under the U.S. Singlehanded Championships tab.
